ADMIN MANAGEMENT PORTAL
physcio.vercel.app/admin

ADMIN LOGIN CREDENTIALS
User: `Shaikshaheed143` **Pass:** `Shaikshaheed143786`

🔒 **Client Privacy Protected:** The "Admin" text has been completely removed from public patient menus. You can access the console anytime by tapping the **discreet lock icon (🔒)** centered at the bottom of the footer, or via direct URL.

DELIVERED PLATFORM CAPABILITIES & ADMIN CONTROLS

Dynamic Social Media & Contact Control

- **Instagram Handle & URL:** Fully editable from Admin (Default: `@physioonreels`).
- **Facebook & YouTube Links:** Instant admin updates to handles and direct profile links.
- **Direct WhatsApp & Phone:** Consultation line (+91 9392473392) dynamic across site.
- **Practice Timings & Map:** Update clinic hours and Google Maps embed with zero coding.

Practice Service Mode (Home / Clinic)

- **Home Visits Only:** Set when exclusively offering doorstep patient sessions.
- **In-Clinic Visits:** Set when treating patients on clinic premises.
- **Both Available:** Active mode showing home visits & in-clinic flexibility.
- **Instant Sync:** Live hero badge and contact banner update immediately upon saving.

Patient Bookings & Instant WhatsApp Lead Routing

- **Interactive Booking Form:** Patient selects condition, sub-category, age, and date.
- **Instant WhatsApp Dispatch:** Generates a pre-formatted referral directly to doctor's WhatsApp.
- **Admin Bookings Log:** Review all patient inquiries, symptoms notes, age, and dates.
- **Status Management:** Toggle status (`New` ↔ `Contacted`) or delete completed records.

Intelligent AI Clinical Recovery Assistant

- **Smart Triage:** Analyzes pain in Lower Back, Sciatica, Neck, Knee, Shoulder, and Ankles.
- **Non-Repetitive Responses:** Retains context and provides structured relief tips.
- **CDNT & Home Visit Expertise:** Explains Dry Needling therapy and doorstep protocols.
- **1-Tap CTAs:** Action buttons inside chat for instant booking or WhatsApp messaging.

CLINICAL MODULES & TECHNICAL HIGHLIGHTS
